Environmental Policy

Hewitson Limited is committed to the protection of the environment and the prevention of pollution in all aspects of our operations. We will comply with all relevant environmental legislation and other requirements, and we are dedicated to continual improvement in environmental performance in accordance with ISO 14001:2015.

Environmental Objectives

We aim to:

- Minimise waste and promote recycling wherever possible.
- Use resources efficiently, including energy and water.
- Prevent pollution and reduce the environmental impact of our activities.
- Work with suppliers and subcontractors to encourage environmental responsibility.
- Set and review measurable environmental objectives and targets.

Legal and Compliance Obligations

- Ensure compliance with all applicable environmental laws, regulations, and standards.
- Regularly review and update environmental management practices to meet or exceed legal obligations.

Employee Responsibilities

- All employees are responsible for supporting our environmental objectives and following procedures to protect the environment.
- Training will be provided to ensure environmental awareness and understanding.

Continuous Improvement

- Environmental performance will be monitored through inspections, audits, and performance reviews.
- Non-conformances will be addressed promptly with corrective actions taken.
- New opportunities for improvement and innovation in environmental performance will be actively pursued.

Communication and Engagement

- This policy will be communicated to all employees and made available to stakeholders and the public.
- Environmental awareness will be promoted throughout the organisation.

Policy Review

This Environmental Policy will be reviewed annually or following significant changes to ensure it remains relevant and effective.
